NATIONAL THESIS CENTER

Please enter term to perform a general search

ATTENTION PLEASE!

- Theses, which are allowed to full-text access on the internet and to archive at the Databases of National Thesis Center of the Council of Higher Education by authors, are being published open access.
- You can get printed copy of those theses which have no publishing permit, through the library of your university.
- Authors can authorize full access to their theses which are unauthorized before 2006 by filling and sending [Thesis Publishing Permit](#)

© 2026 Council of Higher Education. All rights reserved. Contact Click for institute login

Step 2: Click on your name in the upper-right corner of the page. From the drop-down menu, select "**My Theses**". Once the "**My Theses**" page opens, click on the "**Reference Number**" section.

My Theses

Reference No	106
Title	ENHANCING...
Thesis type	Master
Year	2026
Subject	Bilgisayar Mühendisliği Bilimleri-Bilgisayar ve Kontrol = Computer Engineering and Computer Science and Control

Step 3: On the page that opens, update all information related to your thesis. You must synchronize your **ORCID** with the system by selecting the "**Get ORCID Number**" option. If your thesis is still in the preparation stage, you may update sections such as the **page count**, **abstract**, and **summary (Abstract)** at a later stage.

Thesis Entry Form

After the author of thesis fills and submits this form, it should be printed and signed respectively.

In CANKI Thesis Center, the cover of the thesis is taken as basis during the technical procedures of publishing service. Therefore, fill in the form in accordance with your thesis cover.
